Read and judge. (读短文,判断正“T”误“F”。)

There are two pictures of our city. One is now. The other one is before. Look! There was a small park then, but now there is a big and beautiful park. And there is a pond with some ducks in it. There wasn't a pond before. In our city there were some old houses and small trees then. But now there are many new and high buildings. The trees are very tall and the flowers are very beautiful. There are some supermarkets now. Many years ago, people rode to work. Now lots of people drive cars to work. I love my city. Do you want to visit it?
